

# **BALLYBOUGHAL GFC**

## **TRAINING POLICY**

At Ballyboughal GFC we endeavour to follow the guidelines of the GAA code of behaviour with regard to training.

All persons working with underage players are required to undertake recognised Child Safeguarding Training as promoted by the Gaelic Games Associations and must also possess a coaching qualification.

Each coach must participate in, at a minimum foundation level coaching course along with the Safeguarding 1 course.

The club will encourage coaches/mentors to re-sit the safeguarding course every 3 years. This shall take place in the Club or in neighbouring clubs.

The children's officer(s) will participate in the Safeguarding 2 course.

The DLP will participate in the Safeguarding 3 course.

As a club we will endeavour to facilitate a first aid course every second year.
